Education

Indian Institute of Information Technology and Management, Gwalior 2024 – Present
Bachelor of Technology in Information Technology *CGPA: 8.64*

Adarsh Vikas Vidyalaya 2022 – 2024
Higher Secondary Education
- Higher Secondary Percentage: **93.6%**
- Secured **99 percentile** in JEE Mains 2024 (National-Level Engineering Examination)

Skills Summary

Programming Languages: C/C++, Go, JavaScript, TypeScript
Backend Development: Go, Node.js, Express.js, gRPC, GraphQL
Databases: PostgreSQL, MongoDB, Elasticsearch
Systems & Tools: TCP/IP, Goroutines, Channels, Docker, Docker Compose, Prometheus, Git, Postman
Frontend Development: React, Vite, HTML, CSS, Tailwind CSS

Projects

TCPie — *Go, TCP/IP, Goroutines, Channels, Prometheus*

- Built a concurrent TCP server using **goroutines, buffered channels, and a worker-pool architecture** to process multiple client connections in parallel.
- Implemented **token-bucket rate limiting** and queued job processing to control request throughput and connection load.
- Exposed **Prometheus metrics** for request counts and rate-limiting events through a dedicated monitoring endpoint.

E-commerce Microservices — *Go, gRPC, GraphQL, PostgreSQL, Elasticsearch, Docker*

- Designed an e-commerce backend with independent **Account, Catalog, and Order microservices** communicating through gRPC.
- Built a **GraphQL API gateway** and integrated PostgreSQL for transactional data and Elasticsearch for product catalog management.
- Containerized and orchestrated the complete service architecture using **Docker Compose** for reproducible deployments.

EnigmaClaw — *TypeScript, Bun, OpenRouter, Node.js*

- Built an **AI-powered coding agent** that analyzes codebases and automates software development tasks using Large Language Models.
- Implemented secure file operations, shell execution, and action tracking for controlled and transparent code modifications.
- Added **workspace-restricted access, path traversal protection, and approval workflows** for safer agent execution.

Achievements

- **CodeChef Rating: 1100.**
- Solved **350+** Data Structures and Algorithms problems across multiple coding platforms.

Positions of Responsibility

Coordinator, TWARAN INTER-IIIT 2025 *IIIT Gwalior*
- Led planning and logistics for a major inter-IIIT sports meet involving **3,000+ participants** across India, coordinating schedules, venues, and event execution.

Executive Member, Student Activity Council *IIIT Gwalior*
- Collaborated with faculty and student teams to plan and execute institute-wide activities and student engagement programs.

Event Organizer, URJA *IIIT Gwalior*
- Managed logistics and execution of multiple intra-institute sports events with **250+ participants**, ensuring smooth coordination across teams.
